

**Johnson Service Group, Inc. 401(k) Retirement Savings Plan - Contract Employees ("Plan")**  
**IMPORTANT NOTICE TO PARTICIPANTS FOR THE 2019 PLAN YEAR**

**If I do not make an investment election, how will my contributions be invested?**

**Qualified Default Investment Alternative (QDIA):** The Plan Fiduciary has decided to include a Qualified Default Investment Alternative (QDIA) under the Plan. This decision will not change any investment elections you have already made. This notice will explain more about what this may mean to you.

**Your Right to Direct Investments:** Your Plan allows you to direct the investment of some or all of the contributions made on your behalf in a number of investment choices. If you fail to provide investment direction, your Plan's Fiduciary will invest Plan contributions in a QDIA established under the Plan. The Plan Fiduciary has chosen the BlackRock Global Allocation Ret Opt issued by BlackRock as the QDIA for contributions made to your Plan account(s). Contributions invested in the QDIA are subject to gains or losses like other investment choices available under your Plan.

**Your Right to Transfer Out of the Default Alternative Without Penalty:** Subject to your Plan's distribution rules, you may withdraw defaulted contributions invested on your behalf by your Plan's Fiduciary in the QDIA. You may also make transfers from the QDIA to any other investment choice offered under the Plan on any business day without any penalties or fees, such as redemption or liquidation fees. However, the QDIA will be assessed an investment management fee and Contract Asset Charges, if applicable, and the Expense Ratio for this fund will be 1.34% of assets. In addition, Plan service fees may be charged on any withdrawal or distribution of your account balance from the QDIA.

**Consequences of Your Failure to Make an Investment Election:** When you fail to give investment direction after having been provided the opportunity to do so and the Plan's Fiduciary invests contributions on your behalf in the QDIA, you are considered to have exercised control over the investment of assets in your account(s). Neither the Trustees of your Plan nor your Employer or the Plan's Fiduciary will be liable to you for any loss that is the result of such investments.
