## OUR STAFFING SERVICES

### Payroll Services

JSG's payroll services allow your company increased flexibility in hiring, mitigates co-employment exposure, and reduces unemployment costs, workers compensation claims, administration costs, and termination expenses. Each payroll service is fully verified for qualifications and safety requirements before onboarding.

### Independent Contractor Management

Our Independent Contractor services eliminate administrative burdens associated with the hiring, managing, and paying of independent contractors.

COMPETENT | QUALIFIED | VERIFIED

### Project Management Consulting Services

JSG's Project Management Services provides comprehensive project management consulting services expertise for both Engineering and Information Technology project outsourcing and offloading. Using JSG's consulting service gives you third-party assistance to focus resources on completing important tasks while not disturbing your mainstream business activities.

### Contract/Temporary Staffing

Our contract staffing team provides a fast and reliable way to have qualified individuals fill your specific needs quickly and effectively. This provides the flexibility to maintain individuals only when your workload requires the help, while still ensuring access to top talent.

### Temp-To-Hire Staffing

JSG's contracted temp-to-hire staffing service allows you to convert temporary employees on assignment to full-time positions at your company. This service option provides the opportunity for you to assess employee performance and suitability to the position and your organization prior to making a hiring commitment.

### Direct-Hire Staffing

The Direct-Hire Staffing option offered by JSG allows you to source candidates for all of your direct hire needs. This saves you time spent reviewing numerous unqualified resumes, extensive pre-qualifications of candidates, and money associated with expensive advertising costs.
