## **JSG CLIENT SOLUTIONS**

### **PAYROLL SERVICES**

JSG's payroll services allow your company increased flexibility in hiring, mitigates co-employment exposure, and reduces unemployment costs, workers compensation claims, administration costs, and termination expenses.

### **CONTRACTOR MANAGEMENT**

Our independent contractor services eliminate administrative burdens associated with the hiring, managing, and paying of independent contractors.

### **INFORMATION TECHNOLOGY SERVICES**

JSG ITS is a full-service technology partner providing customers with seamless, managed IT services that deliver value and business efficiency across a variety of industries. JSG can rapidly and strategically deploy teams or personnel with the key skills and tools necessary to meet every challenge.

### **PROJECT MANAGEMENT**

JSG's project management services provides comprehensive project management consulting expertise. Using JSG's consulting services gives you third-party assistance to focus resources on completing important tasks while not disturbing your mainstream business activities.

### **CONTRACT/TEMPORARY STAFFING**

We understand that your staffing needs range from short-to long-term and can be largely project-driven which is why we offer comprehensive temporary contract staffing services. Our contract staffing team provides a fast and reliable way to fill your specific needs quickly and effectively with highly qualified individuals. This provides the flexibility to maintain individuals only when your workload requires the help, while still ensuring access to top talent.

### **TEMP-TO-HIRE STAFFING**

JSG's contracted temp-to-hire staffing service allows you to convert temporary contractors on assignment to full-time employees at your company. This service option provides the opportunity for you to assess employee performance and suitability to the position and your organization prior to making a hiring commitment.

### **DIRECT-HIRE STAFFING**

The direct-hire staffing option offered by JSG allows you to source candidates for all of your direct hire needs. This saves you time spent reviewing numerous unqualified resumes, extensive pre-qualifications of candidates, and money associated with expensive advertising costs.
