CONTRACT/TEMPORARY STAFFING

We understand that your staffing needs range from short-to long-term and can be largely project-driven which is why we offer comprehensive temporary contract staffing services. Our contract staffing team provides a fast and reliable way to fill your specific needs quickly and effectively with highly qualified individuals. This provides the flexibility to maintain individuals only when your workload requires the help, while still ensuring access to top talent.

TEMP-TO-HIRE STAFFING

JSG's contracted temp-to-hire staffing service allows you to convert temporary contractors on assignment to full-time employees at your company. This service option provides the opportunity for you to assess employee performance and suitability to the position and your organization prior to making a hiring commitment.

DIRECT-HIRE STAFFING

The direct-hire staffing option offered by JSG allows you to source candidates for all of your direct hire needs. This saves you time spent reviewing numerous unqualified resumes, extensive pre-qualifications of candidates, and money associated with expensive advertising costs.
