ABOUT JSG

Johnson Service Group, Inc. (JSG) is an industry-leading staffing and consulting services company with over 35 years of experience in providing quality customized solutions throughout North America.

Our internal reach, along with a professional and diverse team, generates the reliable support our clients have come to know and respect.

JSG has the flexibility to work with each customer to develop specialized staffing and consulting solutions that meet their unique needs, ensuring consistent, quality service - regardless of service options required.

Our suite of staffing services includes direct hire, contract/temporary, or contract-to-direct. Additional services include payroll, 1099 management, managed staffing programs, and IT Consulting services.

JSG's recruiting team specializes in the sourcing, screening, and placement of professionals that work with the design, development, and testing of software and hardware engineering.

Here are some of the roles we place frequently:

SIC Design & Verification

Embedded Development Engineers

Firmware Engineers

Hardware Design Engineers

FPGA Designers

OOP/OOD

GUI

C/C++/C#/.net/Java

Windows/Unix/Linux

JSG CLIENT SOLUTIONS

PAYROLL SERVICES

JSG's payroll services allow your company increased flexibility in hiring, mitigates co-employment exposure, and reduces unemployment costs, workers compensation claims, administration costs, and termination expenses.

CONTRACTOR MANAGEMENT

Our independent contractor services eliminate administrative burdens associated with the hiring, managing, and paying of independent contractors.

IT CONSULTING SERVICES

JSG ITS is a full-service technology partner providing customers with seamless, managed IT services that deliver value and business efficiency across a variety of industries. JSG can rapidly and strategically deploy teams or personnel with the key skills and tools necessary to meet every challenge.

PROJECT MANAGEMENT SERVICES

JSG's project management services provides comprehensive project management consulting expertise. Using JSG's consulting services gives you third-party assistance to focus resources on completing important tasks while not disturbing your mainstream business activities.

CONTRACT/TEMPORARY STAFFING

We understand that your staffing needs range from short-to long-term and can be largely project-driven which is why we offer comprehensive temporary contract staffing services. Our contract staffing team provides a fast and reliable way to fill your specific needs quickly and effectively with highly qualified individuals. This provides the flexibility to maintain individuals only when your workload requires the help, while still ensuring access to top talent.

TEMP-TO-HIRE STAFFING

JSG's contracted temp-to-hire staffing service allows you to convert temporary contractors on assignment to full-time employees at your company. This service option provides the opportunity for you to assess employee performance and suitability to the position and your organization prior to making a hiring commitment.

DIRECT-HIRE STAFFING

The direct-hire staffing option offered by JSG allows you to source candidates for all of your direct hire needs. This saves you time spent reviewing numerous unqualified resumes, extensive pre-qualifications of candidates, and money associated with expensive advertising costs.
